www.aygaz.com.tr

Established in 1961, Aygaz is an only fully integrated LPG company in Türkiye operating in all LPG processes, including procurement, storage and filling, as well as production and the sale of LPG-operated devices.

Aygaz is also the first and only public LPG company in Türkiye and currently provides its services in 81 cities with almost 2,010 cylinder gas dealers and 1.874 autogas stations.

As the most preferred LPG brand in Türkiye, Aygaz products enter nearly 40 thousand homes every day and more than 240 thousand vehicles run on Aygaz Otogaz.
